

Dear Windermere Hawk,

Please consider celebrating your birthday by giving a present to your school library! It's a wonderful way to remember your special day, and your gift will be shared and enjoyed by Windermere students for years to come!

During your birthday month you will come to the library and choose a brand new book from those recently ordered by Mrs. Hemmelgarn, or you may choose a favorite book from the library's current collection. We will insert a personalized Windermere School Birthday Book Club bookplate into the book. You will be the very first student to check it out! When it is returned, the book will become part of the Windermere library's permanent collection (until it is retired due to wear). Don't stop with just yourself, celebrate your friends and family too! Your teacher would love to have a book donated in his or her honor! What a great gift!

If you would like to donate a book in honor of your birthday, please fill out the form below and return it to Mrs. Hemmelgarn with a check for \$15.00 made payable to the **Windermere Library**.

Your \$15 contribution helps grow our collection and add resources to enhance instruction. If you have any questions about this program, please contact Mrs. Hemmelgarn at shemmelgarn@uaschools.org.

Thank you!
